## Legal framework

This policy has been drawn up based on legislation, policy and guidance that seeks to protect children in England. A summary of the key legislation and guidance is available from <https://learning.nspcc.org.uk/child-protection-system>

## We believe at the 11 Plus Success Club:

- children and young people should never experience abuse of any kind
- we have a responsibility to promote the welfare of all children and young people, to keep them safe and to practise in a way that protects them.

## We recognise that:

- the welfare of children is paramount in all the work we do and in all the decisions we take working in partnership with children, young people, their parents, carers and other agencies are essential in promoting young people's welfare.
- all children, regardless of age, disability, gender reassignment, race, religion or belief, sex, or sexual orientation have an equal right to protection from all types of harm or abuse.
- some children are additionally vulnerable because of the impact of previous experiences, their level of dependency, communication needs or other issues.
- extra safeguards may be needed to keep children who are additionally vulnerable safe from abuse.
